Inmate Work Assignment: N/A

I am requesting that the BOP submit a motion on my behalf for compassionate release pursuant to 18 USC 3582(c)(1)(A) due to the fact that I am the primary caregiver for my parents and I need to take care of them now due to their failing health issues as follows:

1) my father is in the end stages of kidney disease and is likely to die very shortly. My father has COPD along with congestive heart failure. He cannot care for himself; and

2) my mother's colon "has exploded" and is unable to take care of my father anymore due to her failing health.

Therefore, I request that the BOP allow me to care for my ailing parents during the last stage of their lives by petitioning the court for my early release as stated above.
